If you are unavailable the emergency contacts will be notified. If the school is unsuccessful in reaching a contact person, we will act as deemed necessary and keep trying to make contact with the parents/guardians until successful.

Please use this space if there is anything else you want us to know about the student?

Code of Conduct

At MEI we seek through word and action to create an environment of trust and mutual support in which each member of our community can grow. There is an emphasis on the need to be sensitive to those we meet so that each student can realize their individual, God-given potential. As a staff we are committed to the on-going educational process of developing unique persons in a Christ-centered environment where faith is translated into action.

We all must learn to work individually and with others. Mutual respect, cooperation and sharing are important values in any social experience. The ability to work with and for others is an important part of the learning process. In all we do, there must be respect for God and His word, self, others, property, and authority. Any overt behavior which would demonstrate a lack of respect, e.g., cruel teasing, bullying, discourtesy, blasphemous language, or vulgarity, stealing, etc., will be dealt with so that the well-being and security of everyone in the school is ensured. In efforts to create community within the International Program, there are times where extra-curricular activities and/or events are planned for which each student is expected to participate.

No attempt is made on the part of the school to supervise or control the out-of-school lives of its students. This does not mean, however, that it is not important for all students to live consistent Christian lives wherever they are. Those students, who make lifestyle choices not consistent with MEI standards, will force the school to act.

Involvement with alcohol and illegal drugs are serious offences and all students are placed under a strict obligation to always refrain from such use and in all places. A breach of this guideline will normally result in disciplinary action ranging from a minimum of 90-day suspension to expulsion.

To be signed by the student and his/her parent when applying to enter grades 9 - 12.

I, _____ am aware of the school's code of conduct and agree to abide by it and to support it to the best of my ability.

Refund Policy

All requests for refunds must be in writing to the International Education Program at MEI schools. Refunds must include the original Letter of Acceptance issued by the International Program as well as relevant supporting documentation (e.g. letter from Citizenship and Immigration Canada).

100% Refund (refunds do not include the registration fee)

A 100% refund will be given if Canadian Immigration does not approve a student Study Permit. To obtain a refund, written requests should be received within six months of the date of refusal. Requests must include the formal letter of refusal from Canadian Immigration and the original Letter of Acceptance issued by the MEI International Program.

66% Refund

A 66% refund will be given when a student withdraws or becomes a landed immigrant or permanent resident prior to the commencement of the program.

50% Refund

A 50% refund will be given when a student withdraws after commencement of the program but before 30 calendar days have elapsed.

NO REFUND will be granted to a:

- student who becomes a landed immigrant after commencement of the program.
- student who withdraws from the program 30 days after the commencement date.
- student who is dismissed from the program due to any of the reasons specified in this application, or breach of the Code of Conduct, or breach of the law, policy or regulation as determined by the Government of Canada, the Police, MEI Board, and/or the International Program.

All international students are required to have medical coverage as a condition of their acceptance in the International Program. All international students and accompanying parents must report with their passport, study permit, latest report card/academic record and proof of medical insurance to the International Program office upon arrival in the MEI schools. Private Medical Insurance can be purchased through the International Program.

Currently enrolled students:

Due to the high enrollment at the MEI Secondary school, returning students must pay a \$2000 non-refundable deposit by February 15 in order to secure a placement for September. This deposit will be directly applied to the tuition payment which is due May 1.

English Language Policy

The International Program at MEI is very pleased to be in partnership with you and your children as they continue their educational journey. The program is enthusiastically committed to always encouraging and promoting student learning and, as such, has high expectations on students who graduate from the program. Specifically, our goal is to have all our students experience success by excelling in both the written and the spoken aspects of the English language. Therefore, we have developed the following standard for all our international students.

A primary goal is to have all students speak and express themselves always using the English language. To this end, the following support mechanisms have been put in place should students struggle to meet this requirement:

- Step 1:** If students are not meeting this expectation, they will be referred to the International Program room, where they will discuss the language difficulties with the International Program staff.
- Step 2:** If the student continues to ignore the expectations of an English-only environment, an in-school suspension for the remainder of the day will be implemented, with the possibility of the suspension being extended.
- Step 3:** Should the student repeatedly fail to meet the English only requirement, a meeting with the Program Director/administrator, agent or parental representative will take place to discuss further punitive, transfer/expulsion options.

MEI Education and Integration Philosophy

The MEI International Program believes strongly in the development of the “whole” person. This means that the International Program supports not only academic pursuits, but strongly supports athletic, the Arts, and community involvement. Each student is required to regularly attend a local English speaking Christian church. Each student is also expected to participate in all the International Program’s extra-curricular activities.

The International Program believes that English language acquisition is best acquired through active participation in the school curriculum and in the cultural surroundings of a Canadian homestay family. A major goal of the International Program is to create an environment whereby each international student can achieve bi-lingual competency both in language and in culture. Therefore, the International Program individually integrates each international student based on everyone’s English language ability. It is also an expectation of the International Program that students in grades 9 -12 are placed into a Canadian home (exceptions to this policy are rare and they need the permission of the International Program Director).

The MEI community desires to make each international student feel welcomed and appreciated, both in terms of their difference and for their passions to achieve English academic success. The International Program is committed to valuing each student, appreciating difference, and working through cultural differences with blessing and thankfulness.
