Online Courses & Study Blocks

MEI Secondary School does not give a study period in place of online courses taken. If students, or their families, choose to enroll in an online course, that will be in addition to the courses they are taking at the school, not in place of.

Students in Grade 11 are permitted to receive one Study Block only if they are taking 5 Academic courses.

Because our ultimate academic goal is to graduate our students, MEI Secondary School reserves the right to hold all graduation-requirement courses within the timetable of the student until they can prove they have completed the online version of the course.

University Second Language Admission Requirements

- At this time a second language is not required for general admission to:
 - British Columbia Institute of Technology
 - Kwantlen Polytechnic University
 - Trinity Western University
 - University of the Fraser Valley
 - University of British Columbia (Okanagan Campus only)
 - University of Northern British Columbia
 - University of Victoria
 - Most other BC Colleges and Bible Schools
 - A grade 11 second language is not required for students transferring to SFU or UBC after completing a full year of university transfer courses at UFV, KPU, TWU or UVic, etc.
- 

Second Language Required for some Universities

- A grade 11 second language is required for direct general admission to Simon Fraser University and University of British Columbia (Vancouver Campus).
- A grade 11 second language, or equivalent, is required for all students planning to complete a Bachelor of Arts degree at the University of the Fraser Valley. Students without an additional grade 11 language, will need to complete a first year modern language course as part of their university studies.
- A grade 12 second language is required for all students planning to complete a Bachelor of Arts degree at the University of British Columbia (Vancouver Campus) even if they are transferring from another post-secondary institution (PSI). Students without an additional grade 12 language must take a language as part of their university studies.
- University of British Columbia no longer takes into account a “challenged” language 12 mark as part of calculating student average of their academic grade 12 courses for admission selection purposes. However, students wanting their modern language 12 (e.g., French 12 or Spanish 12) mark to count as one of their required academics, must take the language 12 as a classroom at MEI instead of challenging it.
