- Students and parents should ensure that the required courses have been successfully completed in previous grades and that course selections for next year will ensure the student is on-track to meet graduation requirements.
- School Counsellors will complete Grad Credit checks at the end of September and may need to make changes to your schedule to ensure graduation.

Online Courses & Study Blocks

MEI Secondary School does not give a study period in place of online courses taken. If students, or their families, choose to enroll in an online course, that will be in addition to the courses they are taking at the school, not in place of.

Students in Grade 12 are permitted to receive one Study Block for the year.

Because our ultimate academic goal is to graduate our students, MEI Secondary School reserves the right to hold all graduation-requirement courses within the timetable of the student until they can prove they have completed the online version of the course.

University Second Language Admission Requirements

At this time a second language is **not** required for general admission to:

- British Columbia Institute of Technology
- Kwantlen Polytechnic University
- Simon Fraser University
- Trinity Western University
- University of the Fraser Valley
- University of British Columbia
- University of Northern British Columbia
- University of Victoria
- Most other BC Colleges and Bible Schools

Second Language Required for some Universities

Student and parents are responsible for their own research into university programs and their requirements.

UFV, B. Arts: A grade 11 second language, or equivalent, is required for this degree. Students without an additional grade 11 language will need to complete a first year modern language course as part of their university studies.

The schedule is built from your course requests

- Start researching post-secondary requirements now!
- Making a schedule for 650 students is complex. Not everyone will get all of their requests in their schedule. **Select two good alternate** choices in case your first choices cannot be scheduled.
- Please ask your teachers, advisors and school counsellors for guidance.
