

WORSHIP LEADERSHIP 9 / 10 / 11 / 12

Application Form

Worship Leadership is an opportunity to learn what it means to be a Worship Leader, both in theory and in practice through weekly chapels. But being a Worship Leader is about more than just singing songs and playing instruments on a stage, it is about representing Jesus and all of Christianity to those who attend a worship service. Therefore, a Worship Leader is also seen as a Spiritual Leader in their community! Because of this, it is vital that everyone on the Worship Leadership team be a committed Christian who is regularly being “transformed into His likeness” 2 Cor 3:18. A Worship Leader’s actions, character, attitude, reputation and notoriety with both their peers and the MEI staff matters profoundly. Take some time to prayerfully consider this before applying. Christians are not called to be perfect people but we do need to recognize that being a Worship Leader requires a growing faith that is clearly demonstrated to everyone, both on-stage and off-stage.
