

MEI Schools Transportation Department strives to ensure a safe, healthy, and caring environment for all students while they are in our care. To ensure that all students have a positive experience while riding our buses we require all our students to follow the MEI Bus Code of Conduct. We will review this code of conduct with students and we ask that parents review it with your children as well.

Bus Code of Conduct:

Students will:

- Use quiet voices on the bus. If a student wishes to socialize they must do so in a way that is quiet and respectful to the needs of the driver.
- Use earbuds or headphones when using an electronic device
- Not eat or drink while on the bus. Students may eat and drink before getting on the bus and after they disembark.
- Ensure they leave the bus tidy and take care not to cause damage to any parts of the bus
- Remain seated and facing forward at all times while riding the bus.
- Keep all body parts to themselves
- Refrain from throwing items or placing any body parts out of the windows
- Respect the driver, other passengers, and the occupants of other vehicles or pedestrians
- Act in a way that is consistent with the expectations we have of students in our classrooms, hallways, and playgrounds

Any violation of this code of conduct may be referred to the school's administration and repeated violations may result in the student losing the privilege of riding an MEI bus. In this case, families will need to make alternate arrangements for transportation to and from school.

Please read, sign, and return to your child's school.

Students whose form has not been completed and submitted by Wednesday, September 15, 2023 will not be permitted to ride the bus until this form has been completed.

My signature confirms that I/we have read and understand the above Code of Conduct for all bus passengers.
